

31

0

A 32-bit register diagram. The top bit is labeled '31' and the bottom bit is labeled '0'. A thick black horizontal bar spans the entire width, divided into two main sections by a vertical line. The upper section is labeled 'last\_address[31:0]' and the lower section is unlabeled. Both sections contain 16 small tick marks along their lengths.

last\_address[31:0]
