

31

1716

0

A 32-bit register diagram. The top row shows bit indices 31, 1716, and 0 from left to right. The bottom row shows bit indices 16:0 and 0:0 from left to right. A vertical line separates two fields: 'dfii_pi6_address[16:0]' (17 bits) and 'dfii_pi6_address[0:0]' (1 bit). The 'dfii_pi6_address[16:0]' field is shaded gray.

dfii_pi6_address[16:0]
