

31

0

A 32-bit register diagram. The top row shows bit indices 31 at the left and 0 at the right. The bottom row shows the corresponding bit values. A large white rectangular box highlights the data bits from index 31 down to index 0. The bit values are: 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0, 1, 0.
